

Lenovo VIBE Band VB10

POSITIONING STATEMENT

The Lenovo VIBE Band VB10 is designed to let users live their lives more connected and with less worry. Equipped with features like E Ink display, up to 7-day battery life with the display and Bluetooth always turned on, fitness functions, phone notifications and waterproofing the VIBE Band helps users stay fit, connected and in the know anywhere they go.

KEY FEATURES

- Up to 7-day battery life with 24-hour use with Bluetooth and display always turned on
- Receive instant notifications – calls, SMS, Facebook, Twitter, WeChat and more – with space for up to 200 characters
- Fitness functions & tracking monitor fitness levels and activity to help users stay focused on their fitness/health goals
- Proximity reminder prevents phone loss by warning user if phone goes too far away
- Phone finder activates a ringtone at the push of a button
- E Ink display eliminates glare for a clear display – even in sunlight
